AGREEMENT WITH CASA ASIA AND THE ELCANO ROYAL INSTITUTE

This collaboration Agreement was signed for the publication of the Asia-Pacific Yearbook by representatives of the three institutions: Eduardo Serra, as President of the Elcano Royal Institute of International and Strategic Studies, Pasqual Maragall, in his role as President of Casa Asia, and Narcís Serra, as President of the CIDOB Foundation. The purpose of this new publication is to become a platform for the compiling, analysis and dissemination of the most significant events in a geographic area that is in full development, one which generates a growing interest among institutions, businesses and the general public. With the creation of the Yearbook, the three institutions contribute their experience in order to publicise the opinions of the most qualified experts in the international arena, incorporating the Spanish and Latin American perspective on Asia-Pacific events into this analysis.
