

# Revista CIDOB d'Afers Internacionals

## Instructions for Contributors

### Content

The text should deal with significant issues arising from the international state of affairs, from political, economic or social point of view, while bringing to the fore, through the use of current data, significant problems, trends, points of views, etc. using an approach that combines information and analysis of the topic discussed. The paper submitted must be original and unpublished. The copyrights of the texts accepted become the property of CIDOB and the texts cannot be reproduced without CIDOB's authorization.

### Title

The title should be a concise indication of content. It can be followed by a subtitle which may only contain complementary information (10 word maximum).

### Length and submission

Maximum 25-30 double-spaced DIN A-4 pages (1 page = 30 lines of 70 spaces). Send text via electronic mail to [bmane@cidob.org](mailto:bmane@cidob.org)

One-color tables or graphs will be accepted. They may be placed within the text or at the end. Please limit the number used.

Along with the paper, the author will submit a brief CV and his telephone number and address. Please include an electronic and/or postal work address for publication. The CIDOB Foundation will only contact the author if the paper is approved by the Journal's Editorial Board. If the article is published, the author is to submit a 15-20 line abstract of its content.

### Criteria for publication

The Editorial Board reserves the right to modify the format of acronyms, initials, bibliographic references, notes, official titles, etc. in the interest of the overall uniformity required by a periodical publication. We therefore ask authors to observe the following guidelines:

#### *Acronyms and initials*

When acronyms or initials are cited for the first time in the article, include their complete equivalent in parentheses.

#### *Notes*

List notes at the end of the text on a separate page. Within the body of the text, place the number of each note in bold type. Please limit yourself to 25 notes.

Use et al. to cite a work signed by more than two authors.

Use letters (a, b, c, etc.) to refer to citations of different works by the same author published in the same year (Laroui, 1995c).

- All published articles have been evaluated by Editorial Board members.
- Authors published will receive a free one-year courtesy subscription to the Journal.
- Once articles appear in print form, they are also published on the CIDOB Foundation web site.
