WHAT IS THE “INTEGRATION POLICIES: WHO BENEFITS?” PROJECT?

“Integration Policies: Who Benefits? The development and use of indicators in integration debates” is a project co-funded by the European Fund for the Integration of Third-Country Nationals. The project identifies and measures integration outcomes, integration policies, and other contextual factors that can impact policy effectiveness; describes the real and potential beneficiaries of policies; and collects and analyses high-quality evaluations of integration policy effects.

Three are the main aims of the project:

1) LATEST POLICY COMPARISONS (MIPEX 2015): What are the trends and differences in integration policies in eight areas across Europe and the developed world?
2) MONITORING STATISTICS: Which integration outcomes can and do different integration policies affect? Which immigrants can and do benefit from these policies?
3) ROBUST EVALUATIONS: Which countries have robust evaluations of their policies’ effects on integration? Which policies are found to be most effective for improving integration outcomes?
